

CLINICAL TRIALS OF TEXAS, INC.

Dedicated to the advancement of new medical therapies

Curriculum Vitae

Donald David Bacon, MD

7940 Floyd Curl, Suite 700
San Antonio, Texas 78229

8042 Wurzbach, Suite 625
San Antonio, Texas 78229

403 Treeline Park, Suite 200
San Antonio, Texas 78209

EDUCATION

- 1975-1977 Residency, University of Texas System, Bexar County Hospital and Audie Murphy Veterans Hospital
1974-1975 Internship, University of Texas System, Bexar County Hospital and Audie Murphy Veterans Hospital
1974 Doctor of Medicine, University of Texas Health Science Center at San Antonio, San Antonio, Texas
1967-1970 Graduate Assistant in Chemistry, University of Texas, Austin, Texas
1967 Bachelor of Science Degree, Abilene Christian University, Abilene, Texas

LICENSURE AND CERTIFICATIONS

- 2008 DPS, Narcotic License
UPIN
2006 DEA Certificate
1996 American Board of Anesthesiology, Subspecialty Certification in Pain Management
1995 American Academy of Disability Evaluating Physicians, Fellow
1994 American Board of Pain Medicine
1979 American Board of Anesthesiology
1974 Texas Medical Board, # E2452

PROFESSIONAL EXPERIENCE

- 1997-Present Partner, Consultants in Pain Medicine, PA, San Antonio, Texas
1989-1997 Owner – The Pain Treatment Clinic of South Texas, PA, San Antonio, Texas
1981-1989 Private practice of Anesthesiology and Pain Medicine, San Antonio, Texas
1977-1981 Private Practice of Anesthesiology and Pain Medicine, Flagstaff Community Hospital, Flagstaff, Arizona

PROFESSIONAL MEMBERSHIPS

- 2000 American Neuromodulation Society
1999 Texas Pain Society
1999 Association of Pain Management Anesthesiologists
1997 International Spinal Injection Society
1996-1998 American Academy of Disability Evaluating Physicians
1994 American College of Pain Medicine
1992 American Academy of Pain Medicine
1991-1998 Bexar County Medical Society

1991-1981 Texas Medical Association
1991 International Association for the Study of Pain
1991 American Pain Society
1978-1998 International Anesthesia Research Society
1978 American Society of Regional Anesthesia
1977-1981 Coconino County Medical Society/AZ Medical Society
1974-1998 American Society of Anesthesiology
1974-1998 Texas Society of Anesthesiology
1974-1981 American Medical Association

HOSPITAL AFFILIATIONS

Baptist Memorial Hospital System – Active Staff
(Primarily Northeast Baptist Hospital and North Central Baptist Hosp)
Northeast Methodist Hospital – Active Staff
Northeast Methodist Ambulatory Surgery Center – Active Staff
Sendero Imaging & Treatment Center – Active Staff
South Texas Ambulatory Surgical Hospital – Active Staff
St. Luke's Lutheran Hospital – Active Staff
Southwest Texas Methodist Hospital – Active Staff
Rehabilitation Institute of San Antonio (RIOSAs) – Active Staff

PRESENTATIONS

Board of Directors Meeting: Texas Pain Society, August 27-28, 2004, Plano, Texas

Semmes-Murphy-Neurologic and Spine Institute-Instructional Seminar for Pain Management Fellows-
Spinal Stimulation Trials April 2004

Recent Developments in Spinal Cord Stimulation –Panel Discussion Moderator-Anchorage Alaska,
August 2003

Semmes-Murphy-Neurologic and Spine Institute, -Instructional Seminar for Pain Management Fellows-
Patient Selection: Indications, Psychological Profile, Spinal Cord Stimulator vs. Pump-Memphis, TN,
November 2003

Case Managers Society of South Texas, "What is Neuropathic Pain", San Antonio, Texas February
2003

Hospice Administration of San Antonio, "Advanced in Intrathecal Therapies", San Antonio, Texas,
October 2002

Texas Chiropractic Association, "Reflex Sympathetic Dystrophy", San Antonio, Texas August 2002

Texas Chiropractic Association, "Reflex Sympathetic Dystrophy", San Antonio, Texas April 2002

Podiatry Association of San Antonio, "Reflex Sympathetic Dystrophy", San Antonio, Texas, April 2002

Northeast Baptist Hospital, "Peripheral Neuropathy Support Group", San Antonio, Texas March 2002

Texas Chiropractic Association, "Radio Frequency in Sacroiliac Pain", San Antonio, Texas October
2000

San Antonio Oncologist, "Intrathecal Pain Therapy for Cancer Pain", San Antonio, Texas October 2000

Baptist Health System, "Pain Management Update 2000," Faculty, San Antonio, Texas June 3, 2000

Medical Education and Research Institute, "Symposium on the Application of Advanced Technology in Complex Pain Syndromes," Faculty, Memphis, Tennessee, May 16-17, 1999

Medtronic, "Intrathecal Medications in Combination Utilize Programmable Pump," Faculty, San Antonio, Texas, October 1998

Texas Case Managers Association Workshop, "Use of Intrathecal Medications in the Management of Chronic Pain," Faculty, Austin, Texas, August 1998

Sun Medical Inc., "Management of Your SCS Program," Faculty, Arlington, Texas, August 21-23, 1998

Medtronic, "Concepts of Dual Placement of Spinal Stimulators," San Antonio, Texas, March 1998

Sun Medical, Inc., "Management of Your SCS Program," Faculty, Arlington, Texas, August 1997

Sun Medical Inc., "Management of Your SCS Program," Faculty, Arlington, Texas, August 1996

Baptist Memorial Healthcare System, "Management and Treatment of Chronic Pain," San Antonio, Texas, Jan. 19, 1996

Alamo Podiatry Association, "Lower Extremity RSD," San Antonio, Texas, Jan. 9, 1996

Dannemiller Memorial Educational Foundation, "Current Concepts in Chronic Pain Management," Faculty, Memphis, Tennessee, Nov. 3-4, 1995

Physician Assistants of San Antonio, "Treatment and Prevention of Post-Herpetic Neuralgia by Sympathetic Blockade, Anti-viral Agents, and Analgesics," San Antonio, Texas, September 21, 1995

Dannemiller Memorial Educational Foundation, "Current Concepts in Chronic Pain Management Workshop," Faculty, Memphis, Tennessee, Aug. 25-27, 1995

Medtronic Neurological Division, "Concepts and Symmetry of Spinal Stimulation," Houston, Texas, August, 1995

Texas Methadone Association, "Treatment of Chronic Intractable Pain with Narcotics," San Antonio, Texas, August, 1995

Physicians Assistants of San Antonio, "Non-Orthopedic, Non-Surgical Approach to Pain Management, HNP, Epidural Steroids," San Antonio, Texas, May 18, 1995

Medical Education and Research Institute, "Current Concepts in Chronic Pain Management," Hands-on Cadaver Workshop, Faculty, Memphis Tennessee, March 24-25, 1995

University of Tennessee at Memphis, Faculty, "Update on Spinal Stimulation – Cadaver Course," Memphis, Tennessee, Nov. 9-13, 1994

Caremark Case Managers Conference, "Current Trends in Pain Management: Update on Reflex Sympathetic Dystrophy Disorder," San Antonio, Texas, June 30, 1993

Oncology Nursing, Focus 1992. "Pain Management – Home Epidural Controversy," San Antonio, Texas, September 25, 1992

Chronic Pain Management Conference for Case Managers, "Reflex Sympathetic Dystrophy: Indications and Treatment," San Antonio, Texas, June 5, 1992

CONTINUING EDUCATION

24th Annual Pain Symposium, June 10, 2007, 4.50

Spring Institute, March 9, 2007, 10.0 hours

Physician Round Table- "Neuromodulation- Back to the Future"- Dallas, TX, January 12-13, 2007

Advanced Emergency Medical Training, "Advanced Cardiac Support Provider Course," San Antonio, Texas, June 12, 2006, 10 hours.

North American Neuromodulation Society, 9th Annual Meeting, Washington, DC, Nov 10-12, 2005, 13 hrs.

International Spine Intervention Society, 13th Annual Scientific Meeting, New York City, NY, July 15-17, 2005, 12 hrs.

Treating Diseases of the Spine with Percutaneous Cement Delivery, Hands-On Workshop sponsored by HealthStream, March 5, 2005, Houston, Texas 7.5 hrs.

American Society of Interventional Pain Physicians, Washington, DC, September; 14.5 hours

Texas Pain Society, The World Institute of Pain, Texas Tech University Health Sciences Center Department of Anesthesiology, and the International Pain Institute of Continuing Education, 20th Annual Pain Symposium, Lubbock, TX, June 13-15, 2003, 20, hours

American Society of Interventional Pain Physicians, Washington, DC, September; 14 hours

Principles of Manual Medicine, College of Osteopathic Medicine, Michigan State University, East Lansing, MI, December 4-8, 2002, 40 hours

Fourth Annual Meeting & Interventional Pain Medicine/Practice Symposium, Washington, DC, September 21-23, 2002, 20 hours

International Spinal Injection Society, 10th Annual Scientific Meeting, Austin, TX, September 6-8, 2002, 16 hours

International Association of the Study of Pain, 10th World Congress on Pain, San Diego, CA, August 17-22, 2002, 29.5 hours

Texas Pain Society, The World Institute of Pain, Texas Tech University Health Sciences Center Department of Anesthesiology, and the International Pain Institute of Continuing Education, 19th Annual Pain Symposium, Lubbock, TX, June 14-16, 2002, 11, hours

North American Spine Society, 16th Annual Meeting, Seattle, WA, October 31-November 3, 2001, 25 hours

American Society of Interventional Pain Physicians, 3rd Annual Meeting and Interventional Pain Medicine Symposium "Survival Training for the New Millennium", Washington, DC, October 6-8, 2001, 15.5 hours

Sun Medical, Inc and Clarus Medical, "Endoscopic Laser Discectomy", San Antonio, TX, August 4, 2001, 7 hours

American Society of Interventional Pain Physician, Washington, DC, April 13-15, 2001

American Neuromodulation Society, "Advancing Neuromodulation into the 21st Century", Lake Buena Vista, FL, March 7-10, 2001, 23 hours

American Academy of Minimally Invasive Spinal Medicine & Surgery and the American College of Physicians & Surgeons, "Minimally Invasive Spine Update 2001", Cooper Mountain, Co, February 16-19, 2001, 12 hours

International Spinal Injection Society, 8th Annual Scientific Meeting, San Francisco, CA, September 8-10, 2000, 16 hours

International and American Neuromodulation Societies, "Pain and Neuromodulation: The New Millennium," also World Society of Pain Clinicians, 9th World Congress: "The Pain Clinic," San Francisco, CA, July 15-21, 2000, 24 hours.

Baptist Hospital System, Pain Management update 2000: "New Therapies to Meet Your Patients' Needs", San Antonio, Texas, June 3, 2000

American Pain Society, 18th Annual Scientific Meeting, Fort Lauderdale, FL, October 21-24, 1999, 22.5 hours.

International Spinal Injection Society, 7th Annual Scientific Meeting, Las Vegas, NV, August 13-15, 1999, 16.5 hours.

International Medical Experience Exchange, Inc., "Pain Management and Chemical Dependency," New York, NY, January 28-30, 1999, 12.5 hours.

Advanced Emergency Medical Training, "Advanced Cardiac Support Provider Course," San Antonio, Texas, August 17-18, 1998, 16 hours.

Educational Design, "Flexible Fiberoptic Myeloscopy," Marietta, GA, April 26, 1998, 7 hours.

American Pain Society, 16th Annual Scientific Meeting, New Orleans, LA, October 23-26, 1997. 22.5 hours.

Radionics, Inc., "Radio Frequency Techniques in the Management of Chronic Pain," St. Louis, MO, April 13-14, 1996. 16 hours.

International Neuromodulation Society, Third International Congress, American Neuromodulation Society, First Scientific Meeting, Orlando, Florida, March 6-10, 1996. 25.5 hours.

Texas Medical Association, "Pain Management 1995: Clinical and Regulatory Issues," Austin, Texas, December 1, 1995. 7.5 Hours.

American Pain Society, 14th Annual Scientific Meeting, Los Angeles, CA, November 9-12, 1995. 20 hours.

American Academy of Disability Evaluating Physicians, AMA Guidelines Basic Course, San Antonio, Texas, March 4-5, 1995. 11 hours.

American Pain Society, 13th Annual Scientific Meeting, Miami, Florida, November 9-13, 1994. 30 hours.

Wayne Oates Foundation, "Spirituality and Healing," Louisville, Kentucky, October 17-18, 1994. 9 hours.

Texas Medical Association, Seminar on "Pain Management: Clinical and Regulatory Issues," Austin, Texas, August 26, 1994. 7 hours.

American Academy of Pain Medicine, Review Course, 12 CME Hours, and Annual Conference, 11 CME Hours, Orlando, Florida, February, February 17-20, 1994. 23 Hours.

American Pain Society, 12th Annual Scientific Meeting, Orlando, Florida, November 4-7, 1993. 30 hours.

American Academy of Disability Evaluating Physicians, AADEP Clinical Training Program, Chicago, IL, September 18-22, 1993. 34 hours.

International Association for the Study of Pain (IASP) and APS World Congress of Pain, Paris, France, August 22-27, 1993. 34.5 hours.

American Academy of Disability Evaluating Physicians (AADEP), "AMA Guidelines," Houston, Texas, July 16-17, 1993. 12.5 hours.

American Pain Society, 11th Annual Scientific Meeting, San Diego, CA, October 22-25, 1992. 30 hours.

American Pain Society, 10th Annual Scientific Meeting, New Orleans, LA, October 6-10, 1991. 30.5 hours.

University of Tennessee College of Medicine, "Spinal Stimulation: Clinical Applications in Chronic Pain and Technical Methods of the 1990's," Denver, Colorado, September 27-28, 1991, 11.5 hours

Dannemiller Memorial Educational Foundation, "Recent Advances in Spinal Cord Stimulation for Chronic Pain," Pompano Beach, Florida, May 31-June 1, 1991, 9 hours

RESEARCH AFFILIATION

2008-Present Investigator, Clinical Trials of Texas, Inc., San Antonio, Texas

RESEARCH EXPERIENCE

2008-Present: A Clinical Evaluation For The Management Of Chronic Migraine Headaches With Peripheral Nerve Stimulation

2008-2009: A Phase III Variable Dose Titration Followed By A Randomized Double-Blind Study Of Controlled-Release "Study Drug" Compared To Placebo In Patients With Osteoarthritis Pain

2008-2009: A Phase III, Variable-Dose Titration Followed By A Randomized Double-Blind Study Of Controlled-Release "Study Drug" Compared To Placebo In Patients With Chronic Low Back Pain

2008-2009: A Randomized, Double-Blind, Placebo- And Active-Controlled, Parallel-Arm, Multicenter Study In Subjects With End-Stage Joint Disease To Compare The Frequency Of Constipation Symptoms In Subjects Treated With "Study Drug" And "Study Drug" Using A Bowel Function Patient Diary

2007-2008: A Randomized, Double-Blind, Placebo-Controlled, Parallel-Group With A Crossover Confirmation Period Study Of "Study Drug" For The Treatment Of Postherpetic Neuralgia

2007-2008: Percutaneous Tripole Study For Low Back Pain

2007-2008: A Randomized, Double-Blind, Active-Controlled Crossover Study To Evaluate The Efficacy And Safety Of "Study Drug" Compared With Immediate-Release "Study Drug" For The Management Of Breakthrough Pain In Opioid-Tolerant Patients With Chronic Pain

2007-2008: A Randomized, Double-Blind, Placebo-Controlled Multi-Center Study To Evaluate The Safety And Efficacy Of "Study Drug" For The Treatment Of Breakthrough Cancer Pain

2006-2008: A Multi-Center, Randomized, Double-Blind, Placebo-Controlled, Parallel-Group Study Of Oral "Study Drug" For The Treatment Of Opioid-Induced Bowel Dysfunction In Subjects With Chronic Non-Malignant Pain

2006: SynchroMed II Programmable Drug Infusion System Post Approval Study

2006: An Open-Label, Long-Term Treatment Evaluation Of The Safety, Of "Study Drug" For Breakthrough Pain In Cancer Subjects On Chronic Opioid Therapy

2006: A Double-Blind, Placebo-Controlled Evaluation Of The Efficacy, Safety, And Tolerability Of "Study Drug" In The treatment Of Breakthrough Pain In Cancer Subjects

2006: Study Of Percutaneous Intradiscal Nucleoplasty Efficacy (SPINE)

2005: A Randomized, Double-Blind, Placebo-Controlled, Multi-Center, Phase III Study To Evaluate The Long-Term Safety Of "Study Drug" Twice Daily For 12 Months For The Treatment Of Opioid-Induced Bowel Dysfunction In Adults Taking Opioid Therapy For Persistent Non-Cancer Pain

2005: A Randomized, Double-Blind, Placebo-Controlled, Multi-Center, Phase III Study To Evaluate The Efficacy And Safety Of "Study Drug" Once Daily And "Study Drug" Twice Daily For 12 Weeks For The Treatment Of Opioid-Induced Bowel Dysfunction In Adults Taking Opioid Therapy For Persistent Non-Cancer Pain

2005: Randomized, Double-Blind, Placebo- And Active-Control, Single- And Multiple-Dose Evaluation Of The Analgesic Efficacy And Safety Of "Study Drug" In Patients With Moderate/Severe Pain Following Abdominal Surgery

2005: A Multicenter, Randomized, Double-Blind, Placebo-Controlled, Dose-Ranging, Parallel Group Phase II Study To Evaluate The Safety, Efficacy, And Pharmacokinetics Of The Oral Neurokinin-1 Receptor Antagonist, "Study Drug", When Administered With Intravenous Ondansetron Hydrochloride For The Prevention Of Post-Operative Nausea And Vomiting (PONV) And Post-Discharge Nausea And Vomiting (PDNV) In Female Subjects With Known Risk Factors For PONV Who Are Undergoing Surgical Procedures Associated With An Increased Emetogenic Risk

2005: Neurostimulator Characterization Study

2004: An Open-Label, Long-Term, Multi-Center, Intrathecal "Study Drug" Effectiveness And Safety Trial In Patients With Chronic Severe Pain

2003-2004: A Phase III, Randomized, Double-Blind, Fixed Dose, Parallel-Group Comparison Of "Study Drug" Vs. Placebo In Subjects With Osteoarthritis

2003-2004: A Randomized, Multi-Center, Placebo-Controlled, Double Blind, 28-Day Study To Assess The Safety And Efficacy Of "Study Drug" In Subjects (Non-Cancer) With Chronic Pain Requiring Treatment With An Opioid

2003-2004: A Multi-Center, Double-Blind, Active-And Placebo Controlled Efficacy And Safety Study Of "Study Drug" And Low Dose "Study Drug" In Patients With Low Back Pain

2003: An Open Label, Long-Term, Multi-Center Study Of "Study Drug" Administered Intrathecally

2003: A Randomized, Double-Blind, Placebo-Controlled, Study Of "Study Drug" In Adults With Severe Chronic Pain
