

CLINICAL TRIALS OF TEXAS, INC.

Promoting Health Through Research

Curriculum Vitae

Delbert L. Chumley, MD

7940 Floyd Curl Drive, Suite 700
San Antonio, Texas 78229

8214 Wurzbach Road
San Antonio, Texas 78229

EDUCATION

1974-1976 Gastroenterology Fellowship, University of Texas medical Branch, Galveston, Texas
1974-1975 Chief Resident in Internal Medicine, University of Texas Medical Branch, Galveston, Texas
1972-1974 Internal Medicine Residency, University of Texas Medical Branch, Galveston, Texas
1971-1972 Straight Medicine Internship, University of Texas Medical, Galveston, Texas
1971 Doctrine of Medicine, University of Texas Medical Branch, Galveston, Texas
1967 Bachelor of Science Degree in Zoology, Texas A&M University, College Station, Texas

LICENSURES AND CERTIFICATIONS

Licensed by the Texas Medical Board, #D8176
Board Certified in Internal Medicine, 1974, # 47793
Board Certified in Gastroenterology, 1976, # 47793

PROFESSIONAL ORGANIZATIONS

American College of Gastroenterology (Fellow)
America College of Physicians (Fellow)
American Gastroenterology Association
American Medical Association
Anerical Society for Gastrointestinal Endoscopy
Texas Academy Chapter of American College of Physicians
Texas Medical Association – Bexar County Medical Society
Texas Society for Gastroenterology and Endoscopy

HOSPITAL AFFILIATIONS

Baptist Health System
Christus Santa Rosa Medical Center
Healthsouth Rehabilitation Institute of San Antonio
Kindred Hospital San Antonio
LifeCare Hospital of San Antonio
Methodist Ambulatory Surgery Center – Medical Center
Methodist Specialty and Transplant Hospital
Southwest Texas Methodist Hospital
TexSA Heart Hospital
University Hospital
Warm Springs Rehabilitation Hospital

HOSPITAL APPOINTMENTS

1998-2000 Chairman of Department of Gastroenterology, Methodist Specialty and Transplant Hospital, San Antonio, Texas
1991 & 1995 Chairman of Department of Gastroenterology, San Antonio Regional Hospital
1988 Chief-of-Staff, San Antonio Community Hospital, San Antonio, Texas
1985-1993 Chairman and Director, Digestive Treatment Center of Excellence, Humana Hospital San Antonio, San Antonio, Texas
1986-1987 Chief-of-Staff Elect of Medical Staff, San Antonio Community Hospital, San Antonio, Texas
1985-1986 Secretary of Medical Staff, San Antonio Community Hospital, San Antonio, Texas
1980-1981 Chairman of Department of Internal Medicine, San Antonio Community Hospital, San Antonio, Texas

PROFESSIONAL APPOINTMENTS

2007-2008 Secretary, ACG
2007-2009 President, Texas Society for Gastroenterology and Endoscopy
2007-2008 President, Bexar County Medical Society
2003-2004 President, Texas Academy of Internal Medicine (TAIM) Services
2001-2004 Co-chairman, National Gastroenterology Carrier Advisory Committee
2001-2003 Trustee, Board of Directors, Texas Academy of Internal Medicine (TAIM)
1999-2001 Chairman, Membership Committee, American College of Gastroenterology
1998-1999 President, UTMB Department of Medicine Alumni Association
1998-2000 President, Texas A&M University System Medical and Dental Society
1997-2003 Trustee, Board of Directors, American College of Gastroenterology
1996-1998 Chairman, Awards Committee, American College of Gastroenterology
1994-2004 Member, Texas Medicare Carrier Advisory Committee
1994-2000 Member, Membership Committee, American College of Gastroenterology
1994-2001 Member, Credentialing Committee, American College of Gastroenterology
1993-1995 Regional Councilor, Board of Governors, American College of Gastroenterology
1992-1996 Member, Education Affairs Committee, American College of Gastroenterology
1992-1996 Governor, South Texas, American College of Gastroenterology
1987-2004 Treasurer, Texas Society for Gastroenterology and Endoscopy

PROFESSIONAL EXPERIENCE

2006-Present Investigator, Clinical Trials of Texas, Inc., San Antonio, Texas
1976-Present Group Practice, Gastroenterology Consultants of San Antonio, PA, San Antonio, Texas

TEACHING AFFILIATIONS

1996-Present Clinical Professor of Medicine, University of Texas Health Science Center at San Antonio, San Antonio, Texas
1977-1996 Clinical Associate Professor of Medicine, University of Texas Health Science Center at San Antonio, San Antonio, Texas
1974-1976 Clinical Instructor in Internal Medicine, University of Texas Medical Branch, Galveston, Texas

PUBLICATIONS

Schoenfield, L. J. and The Dornier National Biliary Lithotripsy Study. "The Effect of Ursodiol on the Efficacy and Safety of Extracorporeal Shock-Wave Lithotripsy of Gallstones," New England Journal of Medicine 323; 18: 1239-1245, 1990.

Schwesinger, W., Chumley, D. L. "Laser Palliation for Gastrointestinal Malignancy." *The American Surgeon* 54:100-1004, 1988.

ABSTRACTS

Chumley, Swan, Batch. "The Use of the Garren-Edwards Gastric Bubble in Obese Insulin-Requiring Type II Diabetics," Workshop on the Gastric Bubble for the Treatment of Obesity, 1987.

Chumley, Stern. "A Multicenter Study of the Safety and Efficacy of the Garren-Edwards Gastric Bubble," Workshop on the Gastric Bubble for the Treatment of Obesity, 1987.

Chumley, D. L. Reported Complications on the Garren-Edwards Gastric Bubble: Obesity and the Gastric Ballon, A Comprehensive Workshop, Tarpon Springs, Florida; Santa Ana, California: American Edwards Laboratories, 1987.

Hughes, W., Brannan, M., Chumley, D., "The Relationship of Antral Gastrin Concentration to Serum Gastrin in Patients with Gastritis and Gastrin Atrophy," Presented at the 33rd Annual Meeting of the Midwest Section of the American Federation for Clinical Research, November 6-8, 1976, Chicago, Illinois.

POSTER PRESENTATIONS

SAME DAY PEG FEEDING; IS IT SAFE? Chumely, D. L., et al, American College of Gastroenterology, 57th Annual Scientific Meetings, Miami Beach, Florida.

SAME DAY PEG FEEDING; IS IT SAFE? RESULTS OF RANDOMIZED PROSPECTIVE STUDY.
Chumley, D. L., et al American College of Gastroenterology, 58th Annual Scientific Meeting, New York City, New York.

PRESENTATIONS

"Screening and the Legislature," co-sponsored by the American Cancer Society, Texas Medical Association, Physician Oncology Education Program, and Texas Cancer Council, San Antonio, Texas July 20, 2002.

“Update on Inflammatory Bowel Disease,” Texas Society for Gastrointestinal Endoscopy and American College of Gastroenterology, Annual Meeting, El Paso, Texas, September 11-12, 1993.

“Disease of the Liver and Biliary Tree,” Texas Society for Gastrointestinal Endoscopy, Annual Meeting, Dallas, Texas, September 19, 1992.

“Disease of the Small Intestine and Pancreas,” Texas Society for Gastrointestinal Endoscopy Annual Meeting, Galveston, Texas, September 21, 1991.

“Disease of the Esophagus,” Texas Society for Gastrointestinal Endoscopy, Annual Meeting, Austin, Texas, September 15, 1990.

“Colonoscopy and Disease of the Lower Gastrointestinal Tract,” Texas Society for Gastrointestinal Endoscopy Annual Meeting, South Padre Island, Texas, September 23, 1989.

“Therapeutic Endoscopy of the Biliary Tree and Upper Gastrointestinal Tract,” Texas Society for Gastrointestinal Endoscopy Annual Meeting, San Antonio, Texas, October 29, 1988.

“Hands-on Fiberoptic Sigmoidoscopy Course for Primary Care Physicians,” Digestive Treatment Center, Humana Hospital San Antonio, September 11, 1984, and June 18, 1985.

RESEARCH EXPERIENCE

2008-Present: A Randomized Double-Blind Parallel Study Of “Study Drug” Versus “Study Drug” For Healing And Symptomatic Relief Of Moderate To Severe Erosive Gastroesophageal Reflux Disease (GERD)

2008-Present: A Randomized Double-Blind Parallel Study Of “Study Drug” Versus “Study Drug” For Healing And Symptomatic Relief Of Mild To Moderate Erosive Gastroesophageal Reflux Disease (GERD)

2008-Present: A Randomized Double-Blind Parallel Study Of “Study Drug” Versus “Study Drug” For Maintenance Of Healed Erosive Gastroesophageal Reflux Disease (GERD)

2008-Present: Efficacy And Safety Of New “Study Drug” In Patients With Mild Or Moderate, Active Ulcerative Colitis. A Multicenter, Randomized, Double-Blind, Double Dummy Comparative Study Versus Placebo, With An Additional Reference Arm Evaluating “Study Drug”

2007-2008: A Randomized, Multicenter, Double-Blind, Placebo-Controlled, Dose-Range-Finding, Parallel-Design, Phase 2 Trial Of Oral “Study Drug” Administered To Patients With Irritable Bowel Syndrome With Constipation

2007-2008: “A Randomized, Double-Blind, Phase 3 Study Of The Efficacy And Safety Of “Study Drug” In Subjects Requiring NSAID Treatment

1997-1998: A Multicenter, Randomized, Double-Blind, Parallel-Group Comparison Study Of The Safety And Efficacy Of A 7-day Treatment Of “Study Drug” In The Eradication Of *Helicobacter Pylori* Infection

1990-1991: A Comparison Of “Study Drug” And “Study Drug” Administered At Bedtime For Maintenance Of Healed Duodenal Ulcers

1989-1991: Actigall In Bile Cholesterol Crystal Disease

1989-1991: A Comparison Of “Study Drug”, “Study Drug”, “Study Drug”, And “Study Drug” In The Treatment Of Duodenal Ulcer Disease

1989-1991: A Comparison Of “Study Drug”, “Study Drug”, And Placebo In The Treatment Of Erosive Esophagitis

1989-1991: A Comparison Of “Study Drug” And Placebo In The Maintenance Of Healed Erosive Esophagitis

1988-1990: Dornier National Lithotripsy Study

1988-1989: A Comparison Of “Study Drug” And “Study Drug” Administered At Bedtime For The Treatment Of Large Duodenal Ulcers (< or = 10 mm)

1988-1989: A Comparison Of “Study Drug” And “Study Drug” Administered At Bedtime For The Treatment Of Small Duodenal Ulcers (> or = 10 mm)

1985-1986: Garren Edwards Gastrin Bubble in Obese Insulin-requiring Type II Diabetics

1983-1985: ND YAG Laser
