

CLINICAL TRIALS OF TEXAS, INC.

Promoting Health Through Research

Curriculum Vitae

Fred Goldner, MD

7940 Floyd Curl Drive, Suite 700
San Antonio, Texas 78229

8214 Wurzbach Road
San Antonio, Texas 78229

EDUCATION

- 1973-1975 Gastroenterology Fellowship, Walter Reed Army Medical Center, Washington, D.C.
- 1971-1973 Internal Medicine Residency, Fitzsimons Army Medical Center, Aurora, Colorado
- 1970-1971 Straight Medical Internship, Madigan Army Medical Center, Tacoma, Washington
- 1970 Doctor of Medicine, University of Wisconsin, Madison, Wisconsin
- 1966 Bachelors of Arts Degree in Biology, Hunter College, City University of New York, New York

LICENSE(S)

- 1983 Texas State Board of Medical Examiners, # G5912

CERTIFICATION(S)

- 1975 Board Certified in Internal Medicine, # 42678
- 1975 Board Certified in Gastroenterology, # 42678

PROFESSIONAL EXPERIENCE

- 1994-Present Group Practice, Gastroenterology Consultants of San Antonio, PA, San Antonio, Texas
- 1994-Present Clinical Professor of Medicine, University of Texas Health Science Center at San Antonio, San Antonio, Texas
- 1989-1993 Associate Clinical Professor of Medicine, University of Texas Health Science Center at San Antonio, San Antonio, Texas
- 1984-1989 Assistant Clinical Professor, University of Texas Health Science Center at San Antonio, San Antonio, Texas
- 1980-1983 Assistant Clinical Professor of Medicine, University of California School of Medicine, San Francisco, California
- 1978-1993 Assistant Professor of Medicine, Uniformed Services University School of the Health Sciences, Bethesda, Maryland
- 1978-1980 Assistant Clinical Professor of Medicine, Georgetown University School of Medicine, Washington, D.C.
- 1975-1977 Clinical Instructor in Medicine, Texas Tech University Health Science Center, El Paso, Texas
- 1970-1993 Military Services, US Army

HOSPITAL AFFILIATION(S)

Baptist Health System, San Antonio, Texas
Christus Santa Rosa Medical Center, San Antonio, Texas
Healthsouth Rehabilitation Institute of San Antonio, San Antonio, Texas
Kindred Hospital, San Antonio, Texas
LifeCare Hospital, San Antonio, Texas

Methodist Ambulatory Surgery Center- Medical Center, San Antonio, Texas
Methodist Specialty and Transplant Hospital, San Antonio, Texas
Southwest Texas Methodist Hospital, San Antonio, Texas
TexSA Heart Hospital, San Antonio, Texas
Warm Springs Rehabilitation Hospital, San Antonio, Texas

Kaushal, J., Goldner, F. "Validation of the Digital Rectal Examination as an Estimate of Anal Sphincter Squeeze Pressure," *American Journal of Gastroenterology* 86: 886-887, 1991.

Peluso, F., Goldner, F. "Follow-up of Hot Biopsy Forceps in the Treatment of Diminutive Colonic Polyps," *Gastrointestinal Endoscopy* 37:604-606, 1991.

Andorsky, R., Goldner, F. "Colonic Lavage Solution (Polyethylene Glycol Electrolyte Lavage Solution) in the Treatment of Chronic Constipation: A Double-Blind, Placebo-Controlled Study," *American Journal of Gastroenterology* 85: 261-265, 1990.

Bailey, A., Goldner, F. "Can Physicians Accurately Assess Esophageal Dilation without Fluoroscopy?" *Gastrointestinal Endoscopy* 36: 373-375, 1990.

RESEARCH AFFILIATION(S)

2006-Present Investigator, Clinical Trials of Texas, Inc., San Antonio, Texas

RESEARCH EXPERIENCE

2010-Present: Double-Blind, Dose-Response, Randomised, Placebo-Controlled, Parallel Group, Multi-Centre Phase III Clinical Study On The Efficacy And Tolerability Of "Study Drug" Vs. Placebo For The Prevention Of Recurrence Of Diverticulitis (CTT-000227)

2010-Present: A 12-Week, Randomized, Double-Blind, Placebo-Controlled Study Of "Study Drug" In Subjects With Diarrhea-Predominant Irritable Bowel Syndrome (CTT-000216)

2009-Present: Randomised, Double-Blind, Multi-Center, 12 Month Extension Study To Evaluate The Safety And Efficacy Of Daily "Study Drug" 6 Mg Vs. Placebo In The Maintenance Of Remission In Subjects With Ulcerative Colitis (CTT-000209)

2009-Present: A 6-Month, Phase 3, Randomized, Double-Blind, Parallel-Group, Controlled, Multi-Center Study To Evaluate The Incidence Of Gastric Ulcers Following Administration Of Either "Study Drug" Or "Study Drug" 325 Mg In Subjects Who Are At Risk For Developing Aspirin-Associated Ulcers (CTT-000199)

2009-Present: A Phase III, Randomised, Double-Blind, Dose-Response, Stratified, Placebo-Controlled Study Evaluating The Safety And Efficacy Of "Study Drug" Verses Placebo Over 104 Weeks In The Prevention Of Recurrence Of Diverticulitis (CTT-000181)

2009-2009: A Multi-Center, Randomized, Double-Blind, Placebo-Controlled, Dose-Ranging Study Of "Study Drug" In The Treatment Of Patients With Moderate To Severe Ulcerative Colitis (CTT-000160)

2008-Present: Efficacy And Safety Of New "Study Drug" 6 mg And 9 mg Extended Release Tablet Formulations In Patients With Mild Or Moderate, Active Ulcerative Colitis. A Multicenter, Randomized, Double-Blind, Double Dummy Comparative Study Versus Placebo, With An Additional Reference Arm Evaluating "Study Drug" (CTT-000136)

2008-2009: A Randomized Double-Blind Parallel Study Of "Study Drug" Versus "Study Drug" For Healing And Symptomatic Relief Of Moderate To Severe Erosive Gastroesophageal Reflux Disease (GERD) (CTT-000138)

2008-2009: A Randomized Double-Blind Parallel Study Of "Study Drug" Versus "Study Drug" For Healing And Symptomatic Relief Of Mild To Moderate Erosive Gastroesophageal Reflux Disease (GERD) (CTT-000137)

2008-2009: A Randomized Double-Blind Parallel Study Of "Study Drug" Versus "Study Drug" For Maintenance Of Healed Erosive Gastroesophageal Reflux Disease (GERD) (CTT-000135)

2007-2008: A Randomized, Double-Blind, Phase 3 Study Of The Efficacy And Safety Of "Study Drug" In Subjects Requiring NSAID Treatment (CTT-000071)

2007-2008: A Randomized, Multicenter, Double-Blind, Placebo-Controlled, Dose-Range-Finding, Parallel-Design, Phase 2 Trial Of Oral "Study Drug" Administered To Patients With Irritable Bowel Syndrome With Constipation (CTT-000075)
